

Dear Valued Customer,

On Wednesday, June 3rd, a secure email was sent to you with pertinent information you will need to complete the Payroll Protection Plan (PPP) Forgiveness Application. For a variety of reasons, we need to resend the secure email **which supersedes the one sent on Wednesday.**

Due to the fact that the information is confidential and unique to you, it has to be sent in an encrypted email from a special email address just for PPP communications - ppp@summitstatebank.com. The decision to send the information via secure email was the most expedient means to get the information to you in a timely and secure manner. Please check your junk mail to make sure the email does not get filtered out by your security system.

We want to reassure you that the email was in fact sent from us. You can view a copy of the communication by clicking [here](#). This example does not contain any confidential information, but rather serves as a reference if you questioned the validity of the email.

We apologize for any confusion created by the first communication. As always, we are here to serve you. If you have specific questions about the information you received, please reach out to us at ppp@summitstatebank.com.

Thank you!

Michael Castlio
SVP & CCO
